

REMINDER

It is important that you register with King County Procurement and Contract Services after downloading documents from the RFPs, RFQs & ITBs website. Failure to notify us will result in you not being notified of any addenda, which may result in rejection of your bid/proposal as non-responsive.

To register and download files, refer to the bottom of this document.

King County is requesting Proposal Submittals from firms qualified and interested in providing civil engineering services for Transit Facilities and Capital Projects on a work order basis.

The Request for Proposals, all addenda and current document holder's list, are available on the internet at www.metrokc.gov/procurement/rfp_rf_q_itb/new_cons_u.aspx. The County will no longer mail, ship or fax RFP's and addenda.

Interested firms *must* register with the County at time of download and ensure a valid contact email address is given. Notification of addenda will be sent to the registered email address. Failure to register will result in the proposer not being notified of any addenda, which may result in rejection of the proposal as non-responsive.

The County plans to issue one (1) contract with a maximum dollar value of \$500,000. The contract will have an initial period of performance of one (1) year. The County reserves the right to amend the contract duration in one (1) year increments up to a maximum of three (3) years, if funds remain.

Contract Title: **Work Order Based Civil Engineering Services for Transit Facilities and Capital Projects**

Number: **E00017E06**

Proposals due **May 12, 2006**

Time: **5:00 p.m.**

Any firm failing to submit information in accordance with the procedures set forth in the Request for Proposal may not be considered responsive and may therefore be subject to disqualification by King County.

SUMMARY OF WORK: Provide a full range of civil engineering and related services necessary to execute a variety of transit facilities and capital projects on a work order basis.

SUBCONSULTANT OPPORTUNITIES: The following identifies the types of subconsulting opportunities that may be available on this Contract and are provided only for informational purposes:

Survey, Geotechnical Engineering, Structural Engineering, Landscape Architect, LEED Certification

CONTRACTING OPPORTUNITIES PILOT PROGRAM: The King County Contracting Opportunities Program is a public contracting assistance program that is being implemented on a one year pilot basis. The purpose of the Program is to maximize the participation of Small Economically Disadvantaged Businesses (SEDBs) through the use of voluntary participation goals and awarding proposal evaluation points as an incentive factor in the award of King County contracts for Architectural and Engineering (A&E) and Professional services. The SEDB goal for this Project is:

SEDB Goal**2 Firms**

Refer to the Non-discrimination and Affirmative Action Section of the Request for Proposals for full discussion of the application of the non-discrimination and affirmative action provisions to subconsulting opportunities and the other non-discrimination and affirmative action requirements the Consultant shall comply with.

QUESTIONS: Questions concerning this solicitation should be directed to **Christy Trautman, Contracts Specialist** at 206-684-1862, TTY Relay: 711. The Proposer may be requested to submit the question in writing. No verbal answers by County personnel will be binding on the County.

This information is available in alternate formats for individuals with disabilities upon advance request by calling 206-684-1327, TTY Relay: 711.

ATTENTION

King County Metro Transit will be advertising seven (7) more A&E consultant work order RFPs and awarding eight (8) contracts in the next several months. While the information below is current at this time, it is subject to change.
